

Back Beach Boyz

Putting a smile on people's faces for over 11 years!

Teignmouth's Back Beach Boyz shanty & maritime folk band are named after Teignmouth's famous "Back Beach" where everyone meets to watch the sunsets and socialise. Our Hawaiian shirts are inspired by the 60's group the Beach Boys.

The band was formed on the 1st of February 2013 and we have played at many festivals, including twice headlining the main stage on the Saturday night closing set at the Falmouth International Sea Shanty festival. We believe in having fun whilst we are singing, which is reflected in our albums, "Good Libations" (2019), and "Captain Baarman's Dog" (2024), which also had an accompanying promotional video called 'The Monk Of Lidwell Chapel', that can be found on our You Tube channel. Our next CD, "Captain Jack Spratt" will be released in 2025. Many of the tracks on these 2 latter albums were written by several members of the band.
